Kingsley BRASS

Introducing the Kingsley Brass Range - where elegance meets functionality.

Elevate your architectural and interior design projects with the exquisite Kingsley Brass Range. Crafted with an unwavering commitment to quality and style, our collection offers a comprehensive selection of finishes that include matt bronze, satin brass, antique brass, polished brass, polished chrome, and satin nickel.

At Datim, we understand that the finer details make all the difference. That is why our range extends beyond door handles and includes an array of meticulously designed ancillary items such as push plates, door closers, and window furniture. Each piece is thoughtfully curated to harmonize effortlessly with your design vision, adding an undeniable touch of sophistication to every space. With Kingsley Brass, you're not just selecting ironmongery; you're choosing a statement of enduring quality and refined aesthetics. Our commitment to excellence ensures that every item in our range not only enhances the functionality of your spaces but also adds a timeless allure that leaves a lasting impression. Discover the Kingsley Brass Range today and embark on a journey of exceptional craftsmanship, where every detail is perfected to redefine your architectural and interior aspirations.

Welcome to a world where elegance meets functionality, where Kingsley Brass becomes an integral part of your design narrative.
