

Case Study: **Nuffield Health Hospital**

Location: **Cambridge**
 Project Value: **£310,000**
 Duration: **March – April 2015**

The new and improved Nuffield Health Hospital in Cambridge has now opened. Packed with state of the art clinical facilities, this £25m Private Hospital is a huge investment and we're proud to be a part of the project.

DATIM were pleased to manufacture and supply the complete Doorset package including our 'INCLUSA PVC' Encapsulated Doorsets to the labs and also the 'CENTRO' Walnut Veneered Doorsets to the other areas.

We also supplied internal timber screens including some with electrical operated integral blinds for the theatre areas. Heavy use doors were also fitted with acrovyn face protection.

Flexibility & Choice

Only two words, but they encompass our entire ethos and approach. We live and breathe architectural ironmongery and doorsets. There's no limit to your design options, then add access control for total safety.

Saving you time and money

We can offer the solution to every situation, satisfying our customers with quality goods at an affordable price, with accurate and punctual deliveries. You'll discover a difference with Datim.

Experience and quality

You'll receive expert advice from fully qualified, time served craftsmen. Whatever the project, we take care of all the details so you don't have to. We'll also double check all products for quality and consistency, before they reach you.

Datim supply a large range of doorsets and architectural ironmongery products for many applications. For further information please contact our Sales Department on **01246 572277**.
